Contest Prizes:

- 1st Place—\$40*
- 2nd Place—\$30*
- 3rd Place—\$20*

Purpose

A diversity of state-of-the-art equipment for arborists will be exhibited by the top companies of our profession. Company representatives responsible for product design will be on hand, direct from their factories, to demonstrate their equipment and answer your questions. Specialists from Kansas State University will provide an update on insect and disease diagnosis and treatment. Other professionals will make presentations in areas of interest to the professional arborists. Please take advantage of this opportunity to spend a relaxing day with fellow arborists.

Cost and Pre-Registration

The Field Day registration fee is \$20.00 per person for KAA members and \$25.00 per person for non-KAA members. Lunch will be furnished and we must know in advance how many people will be in attendance. Pre-registration is requested by Monday, June 15. Registration the day of the event will be \$25.00 (member) and \$30.00 (non-member).

Meet the Speakers

Judy O'Mara, Director, Plant Disease Diagnostic Lab, Kansas State University

Erin Stiers, Plant Survey Specialist, APHIS
