MEET THE SPEAKERS

Dr. Raymond Cloyd is a Professor and Extension Specialist in Ornamental Horticulture, Entomology/Integrated Pest Management in the Department of Entomology at Kansas State University. Dr. Cloyd's work in research and the extension program involves pest management in greenhouses, nurseries, landscapes, turfgrass, conservatories, and interiorscapes.

Judy O'Mara is a plant disease diagnostician specialist and the Director of the Kansas State University Plant Disease Diagnostic Laboratory at Kansas State University.

Taylor Hamel ** is an arborist and contract climber from St Paul, MN who began climbing in 2001. He has since worked as a production arborist, speaker and workshop presenter across North America, Europe and Australia. He has been DMM's North American technical rep since 2016.

LOCATION – 1205 E Kansas City Rd

Begin on I-35 at Santa Fe / 135th St exit. Travel west on Santa Fe about ¼ mile to first stoplight at Ridgeview Road. Turn right (north) about ½ mile and past overhead RR tracks to first stoplight at Kansas City Rd. Turn left (west) about 100 yds to the first left which is the entrance into the Olathe Community Center.
